Romanticism permitted a flowering of especially poetic talent: the names of Vasily Zhukovsky and later that of his protégé Alexander Pushkin came to the fore. Pushkin is credited with both crystallizing the literary Russian language and introducing a new level of artistry to Russian literature. Sat, 28 Aug 2004 23:59:00 GMT Russian literature - Wikipedia - Postcolonial literature is the literature by people from formerly colonized countries. It exists on all continents except Antarctica. Postcolonial literature often addresses the problems and consequences of the decolonization of a country, especially questions relating to the political and cultural independence of formerly subjugated people, and themes such as racialism and colonialism.
