GMT THE MARRIAGE COVENANT - A New You Ministry - Economic Model #1: The Circular-Flow Diagram One model that helps explain how a market economy works is a circular-flow diagram. A circular-flow diagram is a visual model of the economy that illustrates how households and businesses interact through markets for products and markets for resources.

Economic Perspectives: The Circular Flow Diagram - We view Donald Trump's ascendancy to the Presidency of the U.S. as confirmation of a political and economic paradigm shift that started with Brexit but is likely to continue for the foreseeable future, including elections across Europe in 2017. Consistent with this view, we believe that there are four major potentially secular changes that all investment professionals must consider: fiscal ... Outlook for 2017: Paradigm Shift | KKR -
